

Environmental Risk Assessment and Definition of Protection Goals Training Workshop
14-18 November 2011, Debrezeit, Ethiopia
Venue: National Veterinary Institute

Date	Time	Activity	Responsible person
Opening and general outline of Pesticide Risk Reduction Programme –Ethiopia, Work package B2.1 and this training/workshop			
Monday 14 Nov	8:30-9:00	Arrival of participants and registration	Organizers of workshop
	9:00-9:15	Opening Speech and introduction to PRRP and WP B2.1. Introduction to each other	Ato Fikere Markos, Deputy Director, Animal and Plant Health Regulatory Directorate
	9:15-9:30	Participants introduction to each other	All participants
	9:30-9:50	Introduction to Pesticide Risk Reduction Programme-Ethiopia and Work Package B2.1	Alemayehu Woldeamanuel
	9:50-10:00	Group photo	Alemayehu Woldeamanuel and Paulien Adriaanse
	10:00-10:30	Tea break	
	10:30-11:00	Introduction to this training / workshop	Paulien Adriaanse
Introduction to Environmental Risk Assessment Chairperson/facilitator Ato Birhanu Ayalew Rapporteur: Ato Shimelis Hassen (APHRD)			
	11:00-11:45	General introduction to Environmental risk and hazard assessment Questions and answers	Peter van Vliet
	11:45-12:30	Review of registered pesticides and national environmental standards for pesticides Questions and answers	Bekele Dinku
	12:30-14:00	Lunch	
	14:00-14:30	Relevant international criteria for hazards Questions and answers	Peter van Vliet
	14:30-15:30	Central discussion resulting in List of (inter)national criteria for environmental hazard with their relevance for the Ethiopian pesticide registration procedure	Workshop participants
	15:30-16:00	Tea break	
	16:00-16:30	Current evaluation procedure on Environmental aspects of APHRD Questions and answers	Alemayehu Woldeamanuel

	16:30-17:30	Central discussion resulting in List with problems, gaps and needs in current evaluation procedure Environment	Workshop participants
		Chairperson: Dr Dereje Gorfu Rapporteur: Ato Muhiye Endrie (ECAE)	
Tuesday 15 Nov	9:00-9:45	Environmental Risk Assessment in the EU and NL – fate and ecotox, dossier requirements Questions and discussion	Peter van Vliet
	9:45-10:30	Central discussion on Suitability presented methods for Ethiopian registration resulting in List with (dis)advantages for use in registration procedure	Workshop participants
	10:30-11:00	Tea break	
Risk assessment methods, examples GW, SW in EU, NL, China			
	11.00-11.30	Principles of scenarios and protection goals Questions	Paulien Adriaanse
	11.30-12.00	Introduction to models and Scenarios development in EU Questions and answers	Paulien Adriaanse
	12.00-12.30	Leaching assessment in EU Questions and answers	Paulien Adriaanse
	12.30-14.00	Lunch break	
	14.00-14.30	Leaching assessment in China Questions and answers	Paulien Adriaanse
	14.30-15.30	Central discussion on Suitability for leaching assessment in Ethiopia resulting in List with advantages and disadvantages for Ethiopia	Workshop participants
	15.30-16.00	Tea break	
	16.00-16.30	Surface water for drinking water – assessment in NL SKIPPED Questions and answers	Paulien Adriaanse
	16.30-17.00	Exposure assessment in surface water in the EU Questions and answers	Paulien Adriaanse
	17.00-17.30	Central discussion on Suitability for surface water in Ethiopia resulting in List with advantages and disadvantages for Ethiopia	Workshop participants
Wednesday 16 Nov	9.00-9.30	Proposed approach ERA- general Questions and answers	Paulien Adriaanse

		Chairperson: Dr Nugusse Megerssa (AAU) Rapporteur:: W/o Hiwot Lemma	
	9.30-10.00	PRIMET, focus on Environmental Risk Assessment methods for gw/sw Questions and answers SKIPPED	Paulien Adriaanse
	10:00-10:30	Central discussion on suitability PRIMET and needed improvements for Ethiopia SKIPPED	Workshop participants
	10:30-11:00	Tea break	
Protection goals: definition and conceptual model			
	11:00-11:45	Inventory of agro-environmental characteristics and pesticide use in Ethiopia Questions and answers	Gizachew Assefa/ Alemayehu Woldeammanual
	11:45-12.30	Definition of protection goals - part 1 Questions - Split up in break out groups	Paulien Adriaanse
	12:30-14:00	Lunch	
	14:00-15:00	Identification of scenario zones + Options for protection goals, including tea break	Break-out groups
	15:00-15:30	Reporting back and central discussion resulting in 1. One or more scenario zones 2. List of potential protection goals	Break-out groups
	15.30-16.00	Tea break	
	16:00-16:45	Reporting back and central discussion resulting in (cont.) 3. One or more scenario zones 4. List of potential protection goals	Break-out groups
	16:45-17:30	Definition of protection goals - part 2 Questions and answers	Paulien Adriaanse
Thursday 17 Nov	9:00-9:30	Summary Identification of scenario zones + Options for protection goals	W/o Tsehay Azage & Gizachew Assefa
	9.30-10.30	Choice of scenario zone(s) and protection goals	Break-out groups. CENTRAL DISCUSSION
	10.30-11.00	Tea break	
	11.00-12.00	Reporting back and central discussion resulting in List with combination of scenario zones and protection goals	Break-out groups CENTRAL DISCUSSION
	12.00-12.30	Definition of protection goals- part 3 Questions and answers	Paulien Adriaanse
	12.30-14.00	Lunch	

	14.00-14.30	Summary Choice of scenario zones and protection goals	W/o Tsehay Azage
	14.30-15.30	Definition of conceptual models for priority protection goals	Break-out groups
	15.30-16.00	Tea break	
	16.00-17.30	Reporting back and central discussion resulting in Conceptual model 1 st , 2 nd and 3 rd priority protection goal	Break-out groups, one by one
Friday 18 Nov	9.00-10.00	Summary Definition of protection goals, including conceptual models for 3 priority protection goals	Paulien Adriaanse + participants
	10.00-10.30	Next steps, drawing up action list	Workshop participants
	10.30-11.00	Tea break	
	11.00-12.30	Next steps, drawing up action list (cont.): tasks, actors, planning, deadlines	Workshop participants
	12.30-14.00	Lunch	
	14.00-14.30	Closure note and evaluation to fill in	Alemayehu Woldeamanual / Peter van Vliet
