

Personal note

Joost Lahr, Debre Zeyit, 7 October 2011

Ethiopia is a very beautiful country

..... full of wildlife

..... interesting people and good food

.... that all require protection from pesticides!!

Thank you for your active participation

..... and for your friendly company!

Special thanks to the local organizers!!

Bekele Dinku

Alemayehu Woldemmanuel

..... and their APHRD colleagues.

..... And EIAR Debre Zeyit for its hospitality.

More information

Free Alterra models like PRIMET, PERPEST, TOXSWA, etc.:
